Subject: Upcoming AE Outreach Meeting

Good morning Gentlemen,

I am following up on behalf of our members to let you know I am the WSPA point of contact for all things Aquifer Exemption related. I understand you will be soon providing more information on our planned get together in Bakersfield on July 7th to discuss same, along with California's DOGGR, SWRCB and CIPA members. I have alerted our members of this meeting and will distribute your information to them in advance of July 7th.

Thank you for your outreach on this critical issue.

Bob
